## Chateau de la Chaize Fleurie 2020

SKU 058725 | 12x750 ml | Spec | \$22.99 Wholesale

Hand harvested from a selection of different vineyard sites within Fleurie, from 40 year old vines. Grapes are transported from the vineyard in small, vented crates which prevent them from getting crushed and prematurely oxidizing. Fermentation takes place in stainless steel tanks using indigenous yeasts with semi-carbonic maceration 50% Burgundian (destemmed) and 50% whole cluster. Pumping-over is practiced without punching down, to preserve the fruit and freshness of the wine. 50% of the wine is aged in oak vats and 50% in concrete vats for 12 months.

**Soil: Granite | Vine age: 40 years | Harvest: Hand picked | Yeast: natural**

**Certified HVE, working towards Certified Organic and then Biodynamic.**

Ruby red with purple highlights. Beautiful balance between ripe red fruits and ethereal floral notes. A remarkable finesse, silky tannins, persistent notes of red fruits, freshness and spices.

### Reviews

**90 Points - Wine Enthusiast:** "This rich, juicy wine full of black fruits and ripe tannins is set for long-term aging. The wine's density and acidity enhance its potential." -Roger Voss, Mar 2023

### Winery Information

Chateau de la Chaize is among the oldest, most historic estates in the Beaujolais region. Cared for by the same family for nearly three and a half centuries.

The estate has been passed on to the new owners, the Gruy family, who are equally committed to managing the estate with the utmost care, while implementing an ambitious environmental plan. Among many initiatives is the conversion of all vineyards to organic farming, the adoption of precision viticulture, reducing their carbon footprint and recycling every by-product from viti- and vinicultural activity, to achieve zero waste.
