NADA

Nada Giuseppe Barbaresco Cru Casot 2019

SKU 427623 | 6x750 ml | Spec | \$48.98 Wholesale

Aging in barrels of 1000, 3000, 4000 liters for 18-20 months, then continues for another 7-8 months in the bottle. A wine of exceptional finesse, never covered by woody notes in compliance with the traditional style of production.

It is a wine that has always represented us in substance and style. Elegant tannins with dark red fruit and persistent finish. The fruit is always present, flanked by spices, flowers and balsamic notes. Its best expression is after 6-8 years of bottling and increases over time to 25-30 years.

Reviews

92 Points - Wine Enthusiast: *"Aromas reminiscent of chamomile, hay and minestrone soup carry over to the palate along with raspberry jam, crushed mint, licorice and a candied note. Smooth tannins provide support."* -Kerin O'Keefe

Winery Information

Located in Treiso, the Nada Giuseppe property, now farmed by Enrico Nada, has two main cru sites. Casot is a south and southeast-facing plot with layers of blue and grey tufo soils between sand. The estate comprises 9 hectares of vines, much of which was bought from the grandfather of Angelo Gaja. The Casot vineyards are adjacent to those that are used in Gaja's Barbaresco. The Nada Family has been making wine here since the 1960s. Farming at this estate is certified organic since 2017.
