Winery Information

Domaine Poulleau is a lovely 8 hectare domaine located in Volnay. The domaine was created by Michel Poulleau in 1960 and today is diligently managed by Michel's son Thierry Poulleau and his wife Florence; 1983 was Thierry's first vintage. The domaine has ownership in 7 appellations and produces 93% red wines mostly in Volnay but include Bourgogne, Beaune, Chorey, Aloxe & Corton Charlemagne. These grapes are 100% hand harvested with a severe triage before fermentation and represent classic terroir and fruit focused wines. Thierry is very judicious with his use of oak, always respecting the individuality of the parcel's terroir to passionately craft small quantities of some of the finest expressions of Pinot Noir and Chardonnay in the world.

Tasting Notes

Ruby red colour with purplish reflections. The palate presents ripe, red forest fruit and a juicy, almost bouncy, core supported by ripe, supple tannins that still brush slightly. The very long finish is fresh and lively and carries flavours of fleshy black cherry, rose and limestone. The whole is of great elegance and great complexity.
