Signorello Estate Padrone Napa Valley 2019

SKU 196071 | 6x750 ml | \$185.99 Wholesale

The 2018 harvest will be remembered by most winemakers as an ideal season, with wines showing potential quality at a very young age. The near perfect season began with a mild spring, with steady flowering conditions yielding a uniform crop. A moderate, extended summer gave the vines an even berry set and ripening season. An unseasonal rainfall in early October was a memorable one but did not affect the crop or grape quality. A slow paced harvest allowed winemakers to take time with pick decisions and utilize the extended hang time for flavour development.

Reviews

96 Points - Vinous *"Signorello's 2019 Cabernet Sauvignon Padrone is deep, powerful and beautifully resonant in the glass. Lavender, sage, mint, tobacco, wild cherry and menthol fill out the layers. Padrone and all the Signorello wines, have seen quite a dramatic stylistic shift in recent years. Today's wines showcase the more floral, savoury side of Cabernet Sauvignon typical of this part of the valley."* -Antonio Galloni, Sep 2021

Winery Information

Signorello enjoys something of a unique terroir, situated just to the east of Oak Knoll. Everything is on a contiguous single vineyard of 42 acres. The oldest vines are now 39 years of age. This slightly cooler site plays to the fresher, more elegant styles of wines Signorello so beautifully manages to achieve. The grapes for this proprietary Cabernet Sauvignon are sourced from the best blocks of our extremely rocky hillside vineyard. This is a deeply concentrated wine with layers of complexity designed for extended aging.
