Brand Story

With more than 10,000 wine grape varieties globally, it's easy to get distracted when deciding which wines to produce.

At TRIM, we believe that more doesn't mean better. This is why we dedicate 100% of our attention to produce a single Chardonnay and a single Cabernet Sauvignon. By trimming down our offering, we maximize our winemaking to create the best product possible, without additives, compromise, or distraction. It's Ray Signorello's focus, discipline, and authenticity that make these wines incomparable.

Winemaker's Notes

The 2021 TRIM Chardonnay has a vibrant bouquet complete with lemon meringue, apricots, white flowers, mango and ripe tropical fruit. The mouthfeel is broad and inviting with playful acidity drawing upon the creamy texture of this wine ending with notes of vanilla, marzipan and baking spices. Pair this wine with creamy pastas, meaty fish, pork, chicken, brie, power lunches, hammocks and good books.
