SKU 869545 | 12x750 ml | \$16.99 Wholesale

Brand Story

With more than 10,000 wine grape varieties globally, it's easy to get distracted when deciding which wines to produce.

At TRIM, we believe that more doesn't mean better. This is why we dedicate 100% of our attention to produce a single Cabernet Sauvignon and a single Chardonnay. By trimming down our offering, we maximize our winemaking to create the best product possible, without additives, compromise, or distraction. It's Ray Signorello's focus, discipline, and authenticity that make these wines incomparable.

Reviews

88 Points - Vinous: "The 2021 Cabernet Sauvignon is a soft, fruity wine to drink now and over the next handful of years. Crushed red berry fruit, mint and spice are nicely pushed forward in this delicious, value-priced offering. Cabernet Franc, Merlot, and Petit Verdot round out the blend." -Antonio Galloni
